Customer Policy Manual

ACME ENTERPRISE -- CUSTOMER POLICY MANUAL
Version 3.2 | Effective Date: January 1, 2024

SECTION 1 -- CUSTOMER CLASSIFICATION
Acme Enterprise classifies customers into three tiers based on annual revenue:

Tier 1 (Enterprise): Annual revenue contribution > $1,000,000
- Dedicated account manager
- Quarterly business reviews
- 24/7 priority support access
- Custom SLA agreements
- Named support engineers

Tier 2 (Business): Annual revenue $100,000 to $999,999
- Assigned account manager
- Semi-annual business reviews
- Business hours support (8am-8pm local time)
- Standard SLA: P1 = 4 hours, P2 = 8 hours

Tier 3 (Standard): Annual revenue < $100,000
- Shared account management pool
- Annual review
- Email/portal support only
- Standard SLA: P1 = 8 hours, P2 = 24 hours

SECTION 2 -- ACCOUNT MANAGEMENT
Each customer is assigned an account manager responsible for:
- Quarterly check-ins and business reviews
- Renewal negotiations
- Escalation handling
- Upsell and cross-sell opportunities

Current account managers and their portfolios:
- Sarah Chen: Technology, Software, Analytics sectors
- James Okafor: Manufacturing, Industrial, Mining sectors
- Maria Rodriguez: Healthcare, Pharmaceuticals, Consulting sectors
- David Kim: Finance, Energy, Aerospace sectors
- Priya Patel: Retail, Logistics, Shipping sectors

SECTION 3 -- CUSTOMER ONBOARDING
New customer onboarding follows a 5-step process:
Step 1: Welcome call with account manager (Day 1)
Step 2: Technical onboarding with implementation team (Days 2-5)
Step 3: Product training sessions (Week 2)
Step 4: Go-live support (Week 3)
Step 5: 30-day post-launch review

SECTION 4 -- AT-RISK CUSTOMERS
Customers flagged as "At Risk" must be escalated immediately.
Criteria for At Risk designation:
- Two or more P1 tickets within 30 days
- Renewal date within 60 days with no renewal confirmation
- Payment overdue by more than 30 days
- NPS score below 6

SECTION 5 -- CHURNED ACCOUNTS
Churned accounts are retained in the system for 24 months.
Win-back campaigns are triggered automatically at 3 months post-churn.

SECTION 6 -- DATA RETENTION
Customer data is retained for 7 years per regulatory requirements.
PII data is anonymized after contract termination plus 2 years.

SECTION 7 -- COMPLIANCE
All customer interactions must comply with:
- GDPR (EU customers)
- CCPA (California customers)
- SOC 2 Type II requirements
- ISO 27001 standards
