Demo Environment -- Synthetic Enterprise Data

## Support Policy and SLA

ACME ENTERPRISE -- SUPPORT POLICY AND SLA
Version 2.1 | Effective Date: January 1, 2024

SECTION 1 -- PRIORITY LEVELS

P1 -- CRITICAL
Definition: Complete system outage or critical business function unavailable.
- All production users affected
- No viable workaround exists
- Financial or reputational impact imminent

Initial Response SLA:
- Tier 1 (Enterprise): 15 minutes
- Tier 2 (Business): 30 minutes
- Tier 3 (Standard): 1 hour

Resolution Target:
- Tier 1: 2 hours
- Tier 2: 4 hours
- Tier 3: 8 hours

Escalation: Automatically escalated to Tier 2 support and account manager.
If unresolved in 1 hour, VP of Support is notified.

P2 -- HIGH
Definition: Significant functionality impaired with no reasonable workaround.
- Core feature unavailable
- Significant user impact but system partially operational

Initial Response SLA:
- Tier 1: 30 minutes
- Tier 2: 1 hour
- Tier 3: 4 hours

Resolution Target:
- Tier 1: 4 hours
- Tier 2: 8 hours
- Tier 3: 24 hours

P3 -- MEDIUM
Definition: Non-critical functionality impaired; workaround available.
Initial Response SLA: 4 business hours (all tiers)
Resolution Target: 3 business days

P4 -- LOW
Definition: Minor issue, cosmetic problem, or general inquiry.
Initial Response SLA: 1 business day
Resolution Target: 5 business days

SECTION 2 -- SUPPORT CHANNELS
- Enterprise Portal: support.acme-enterprise.demo (24/7)

- Phone: +1-800-ACME-HELP (Tier 1 only, 24/7)
- Email: support@acme-enterprise.demo
- Slack Connect: Available for Tier 1 customers

SECTION 3 -- ESCALATION PATH
Level 1: Support Agent (first contact)
Level 2: Senior Support Engineer
Level 3: Support Team Lead
Level 4: VP of Customer Support
Level 5: CTO / Executive Escalation

SECTION 4 -- SUPPORT HOURS
- Tier 1 Enterprise: 24/7/365
- Tier 2 Business: Monday-Friday, 8am-8pm local time
- Tier 3 Standard: Monday-Friday, 9am-5pm ET

SECTION 5 -- SLA BREACH POLICY
If SLA is breached:
- P1 breach: 10% service credit applied automatically
- P2 breach: 5% service credit upon request
- Three P1 breaches in a quarter trigger executive review

SECTION 6 -- SUPPORTED PRODUCTS
All support policies apply to:
- DataSync Pro and DataSync Basic
- CloudVault Enterprise and CloudVault Standard
- SecureEdge Suite
- AnalyticsCore
- ConnectAPI Platform
- AutoScale Engine
- ReportMaster

SECTION 7 -- OUT OF SCOPE
Support does not cover:
- Third-party integrations not certified by Acme
- Customer-modified code or configurations
- Issues arising from unsupported browser versions
- Data migration from non-Acme platforms (Professional Services required)
